School summer holiday							30																
							31																
							School summer holiday																

### Notes:

- In China, it is common practice for the whole nation to coordinate a week-long holiday together. Through re-arranging weekends and weekdays, everyone will have a compulsory holiday which usually lasts for a week. This creates huge demand for travel that week.

## **Chinese Public Holiday Calendar**

- The start and end dates for school summer and winter holiday might differ slightly depending on cities and schools.
