School summer holiday						

Chinese School Term and Public Holiday Calendar

Notes:

- In China, it is common practice for the whole nation to coordinate a week-long holiday together. Through re-arranging weekends and weekdays, everyone will have a compulsory holiday which usually lasts for a week. This creates huge demand for travel that week.
- The start and end dates for school summer and winter holiday might differ slightly depending on cities and schools.
- If you have got further questions or comments, send them via email admin@improveyourbookings.com
